## Foreword

This is the third report required by Section 5(d)(1) of the Federal Cigarette Labeling and Advertising Act, which directs the Secretary of Health, Education, and Welfare to submit annual reports to the Congress on the health consequences of smoking. The preceding two reports were *The Health Consequences of Smoking, A Public Health Service Review: 1967* and *The Health Consequences of Smoking, 1968 Supplement to the 1967 Public Health Service Review*.

The present Supplement was submitted to the Congress on July 29, 1969.

## Acknowledgments

The National Clearinghouse for Smoking and Health, Daniel Horn, Ph. D., Director, was responsible for the preparation of this report; Albert C. Kolbye, Jr., M.D., M.P.H., LL.B., was consulting editor. Staff director for the report was Daniel P. Asnes, M.D.

The professional staff has had the assistance and advice of a number of experts in the scientific and technical fields, both in and outside of the Government. Their contributions are gratefully acknowledged.
